PROFESSIONAL EXPERIENCE

HCLTech

May 2022 – Present

Director – Service Delivery & IT Infrastructure Services

Own end-to-end service delivery and end-user support experience for large global manufacturing customers across North America, LATAM, EMEA and APAC.

- Own a ~USD 50M service-delivery and digital workplace portfolio for a 3-account manufacturing set (175K users, 188K devices) at 11–18% margins, leading 1,000+ professionals across Service Desk, Field Services and Digital Workplace.
- Run high-volume, multilingual service-desk / contact operations (~14K calls and ~17.3K chats/emails) across a 24x7, 8-language environment, owning the global end-user support experience.
- Lifted ACSAT from –50 to +83 and improved NPS by 70%+, while reducing cost-per-ticket (voice USD 13→10, chat USD 11→8) and achieving a 46% password-reset reduction.
- Drove AI-led contact transformation — autonomous voice resolution, AWS Contact Lens sentiment analytics, Krisp.AI multilingual support and Amazon Connect Lex Bot / AWS CTI — targeting a 30–50% reduction in routine contacts.
- Progressed self-service and Shift-Left via Yellow.ai (targeting ~30% service-request automation and 30–40% service-desk contact reduction), cutting operational staffing ~30% over two years.
- Authored an AI-led service transformation strategy on an Assisted → Augmented → Autonomous maturity model and SENSE → THINK → ACT → ENGAGE loop, leveraging agentic AI (AI Force) and DEX (Workblaze).
- Manage the full deal lifecycle (RFI/RFP – MSA – SOW – Go-Live) for 10–30% revenue growth, own P&L across accounts, and led crisis & major incident response during the CrowdStrike and Microsoft outages.

Global Capability Centre (GCC) Leadership – HCLTech

- Led setup and operationalisation of a multi-tower GCC in India (Build–Operate–Transform–Transfer), including Service Management, Infrastructure and Cybersecurity towers.
- Designed the 135-role ramp-up model, onboarded 60+ resources, and drove ~94% transition readiness across 50+ technology domains into the Operate phase.
- Governed a multi-year SOW of up to ~USD 7.1M plus a USD 3M minimum-commitment obligation, with cross-functional governance across Delivery, HR, Finance, Legal and Commercial.

Radial Omnichannel Technologies

Dec 2019 – Apr 2022

Director – Call Centre Operations (US Retail)

Led India-based omnichannel customer-care operations supporting a leading US retail organization.

- Directed Quality, Workforce Management, Business Analytics, Six Sigma and L&D across multiple customer-support teams, owning KPI governance and performance management.
- Led staffing, coaching and talent development, and partnered with Client Success to launch new programmes, capabilities and BI-led optimization.

Sitel (Foundever)

Oct 2007 – Nov 2019

Site Director (Site Head) – Customer Service, Technical Support & Sales

Ran large-scale voice, chat and sales customer-support operations serving North American and European customers.

- Sustained operating margins exceeding 55% with full P&L responsibility, and delivered USD 131K annual savings through a Transport Optimization programme.
- Earned Best Partner Award for eight consecutive quarters and top client-partner ranking for six consecutive quarters; maintained green scorecards for 12 consecutive months.
- Launched E-Chat Sales expanding French-language operations, and secured additional Technical Support and Chat business lines through strong performance.
