LEADERSHIP PROFILE

Operations and transformation leader with 25+ years building and running global delivery organisations, customer operations and capability centres as businesses. Combines full P&L ownership and large-team leadership (1,000+ across four regions) with a consultative, advisory style — shaping transformation roadmaps, building executive-grade business cases, and partnering directly with client CIOs and senior leadership. Repeatedly trusted to turn around performance, protect commercial commitments, and lead organisations through growth, change and crisis.

LEADERSHIP HIGHLIGHTS

- **25+ years leading global operations, delivery and transformation** across North America, EMEA, LATAM and APAC.
- **USD 50M P&L owned** and 1,000+ professionals led across four regions.
- **12 years as Site Director / Site Head** — running a multi-service customer operation as a standalone business at 55%+ margins.
- **Trusted partner to client CIOs and senior leadership** through executive account reviews, QBRs and transformation advisory.
- **Authored transformation strategies and executive business cases** adopted at leadership level to guide multi-year roadmaps.
- **Built and scaled a Global Capability Centre (GCC) from inception** under a Build–Operate–Transform–Transfer (BOTT) model.
- **Turnaround impact** — ACSAT from –50 to +83, NPS +70%, and ~30% operating-cost reduction.

PROFESSIONAL EXPERIENCE

HCLTech

May 2022 – Present

Director – Delivery, P&L & Transformation Leadership

Lead global delivery, P&L and transformation for a multi-account manufacturing portfolio, partnering with client executives across North America, EMEA and APAC.

- Own a ~USD 50M P&L and lead 1,000+ professionals across four regions at sustained 11–18% account margins, with accountability for revenue, profitability and growth.
- Serve as a trusted advisor to client CIOs and senior leadership — running executive account reviews and QBRs, shaping multi-year transformation roadmaps, and aligning proposed solutions to real business needs rather than generic messaging.
- Authored transformation strategies and executive-grade business cases — spanning service modernisation, automation and AI — adopted at leadership level to guide investment and roadmap decisions.
- Built and scaled a multi-tower Global Capability Centre from inception (Build–Operate–Transform–Transfer), defining the operating model, commercials, governance and talent engine.

- Delivered measurable turnaround: improved NPS by 70%+, lifted ACSAT from -50 to +83, reduced operating cost ~30%, and grew revenue 10–30% through the full deal lifecycle (RFI/RFP – MSA – SOW – Go-Live).
- Led crisis and major incident response during the CrowdStrike and Microsoft global outages, coordinating executive communications, service restoration and business continuity.

Radial Omnichannel Technologies

Dec 2019 – Apr 2022

Director – Operations (US Retail)

- Led a multi-team India-based operation for a leading US retailer, owning KPI governance, quality, workforce management and performance management.
- Built coaching, Six Sigma and talent-development capability, and partnered with client success leadership to launch new programmes and capabilities.

Site (Foundever)

Oct 2007 – Nov 2019

Site Director (Site Head) – Customer Service, Technical Support & Sales

Ran a multi-service customer operation as a standalone business for 12 years, serving North American and European customers.

- Held full site P&L, sustaining operating margins above 55% through disciplined operational and financial management.
- Built and led the complete site organisation — operations, quality, workforce management and L&D — earning Best Partner Award for eight consecutive quarters and top client-partner ranking for six consecutive quarters.
- Delivered USD 131K annual savings and grew the account through new business lines and language expansion, maintaining green operational scorecards for 12 consecutive months.
